Dear Mrs Perrot,

I am more than happy to send you my testimonial on my experience with Blue Marine Management Consultancies (BMMC).

Ixblue Group has been a client of BMMC for many years and we have always appreciated the professionalism of Mrs Gaenelle Perrot and her team.

We have started our activity in Dubai 8 years ago and after interviewing a lot of local chartered accountant companies we have finally chose BMMC for their relationships, their wise advices at the time of setting-up in Dubai, and we have followed them as they are customer-oriented, efficient and professional.
